This description conveys the image of a luxurious villa in a quiet and natural environment in the well-known Hacienda Vega Colorado complex, which is equipped with a 24-hour concierge service. The villa is a combination of Andalusian style and modern comfort. The spacious layout with five bedrooms with high ceilings and six bathrooms as well as a separate guest flat and a large wine cellar ensures maximum comfort. Special mention should be made of the marvellous surroundings with the tropical garden.

Particularly noteworthy is the spacious living room, which serves as the centrepiece of the house, as well as the fully equipped kitchen. The high ceilings in the bedrooms and the view of the tropical garden create a feeling of space and harmony with nature.

The villa offers a variety of relaxation options, both in the various chill-out areas on the terraces and in the charming Bali houses in the garden. For added convenience, there is a separate garage with space for three cars and a spacious driveway in this gated complex, which offers additional security thanks to the 24-hour concierge service.

All in all, this villa with a plot size of 4400 square metres embodies luxurious living in perfect harmony with nature, ideal for those seeking tranquillity and exclusivity.
