It has been lovingly reformed to a wonderful contemporary style, with open plan kitchen and living area, opening onto a large south-west facing terrace and private garden.

The property in Marbella West is being finished with 4 bedrooms and 3 bathrooms, but most impressive of all is the superb and large basement area. It is being reformed with preinstallations for whatever use the new owners may wish to put it to, and with natural light feeding in from the English patio from the south-facing garden outside.
