Contemporary style with lots of light, completely open and panoramic views of the sea.

It has a constructed area of 187m² and another 163m² of terrace that borders 2 sides of the house, which gives this property a lot of space.

Large living room with open plan kitchen, fully integrated into the room and fully equipped. Thanks to its large window, the interior merges perfectly with the exterior when it is open, thus creating an even greater feeling of spaciousness.

The interior design has been conceived with great taste and without sacrificing any type of detail, and that is precisely what makes the difference of this spectacular penthouse.
