Unique Opportunity in Mijas Pueblo!

Discover this charming apartment in Mijas Pueblo, located in a very quiet area, in a traditional and completely restored community, to adapt it to the incomparable setting of this wonderful place.

The apartment renovated in 2018 consists of two cozy rooms and a nice bathroom with a shower. Air conditioning in the living room although given its orientation and ventilation you will not need to connect it throughout the year. The property also has a communal terrace for private use where you can enjoy wonderful views of all of Fuengirola and of course, the sea. On this terrace the community authorized the owner to build a private storage room and this is stated in the community statutes.
