Inspired by a topographical plan, this development stands out for the sinuous movement of its Avant-grade architecture. It is distinguished by the rich materials with which this project has been created. The combination of Wood, ceramic and aluminum achieves that warm touch that is so unique and exclusive.

This Project is constructed out of 224 houses. South or south-west facing, the flats are very luminous and allow you to enjoy breathtaking sunsets from your own terrace.

The properties are divided into Garden Villa, flats and penthouses; and are characterized by the large size of their rooms.

We furnish your home with all the little details for you to enjoy from the very first moment. We offer a completely personalized service to make you feel comfortable at home.

Each building is located on elevated platforms so that the horizon opens at your feet and guarantees the best views the mediterranean sea can offer.

Discover the essence of this project with over 20,000 square meters of Mediterranean vegetation and aromatic plants. Lose yourself in this paradise designed for nature lovers.

The 6 Swimming Pools distributed throughout the development allow you to enjoy magical moments with family and friends, creating unforgettable experiences.

This is an off plan property - some units ready - final completion 2nd quarter 2025
